Learning and Loving
Together Forever

Week Monday 20 th January- Friday 14 th February	Core Value Focus Knowledge and wisdom
Scripture Link “If you listen to me you will know right, just and fair. You will know what to do. You will become wise and your knowledge will give you pleasure” Proverbs 10:9-10.	Message from the Principal At Queen Elizabeth's we believe that all students are entitled to an academic, rigorous education with knowledge at its core. We understand that wisdom is the ability to apply that knowledge to the greater scheme of life. It's also deeper; knowing the meaning or reason; about knowing why something is, and what it means to your life. At Queen Elizabeth's we nurture knowledge and wisdom in all we do.
Message from the Chaplain Knowledge and wisdom bring a new way of seeing things and the ability to challenge ideas and come up with new ones. They are of massive benefit to everybody in our society but especially the young who are preparing for their future. However, because wisdom and knowledge take time to get and because they don't always have a benefit straight away it is possible to seek after other things. These other things grab our attention for the moment they do not bear the lasting fruit of wisdom and knowledge. With wisdom and knowledge we can prepare as best we can for what lies ahead in our lives. Christians see the most important kind of knowledge as knowing God Himself. The exciting Christian gospel message is not just knowing about God but knowing Him personally through a relationship with Jesus. Just like the most useful knowledge you can learn in school prepares us for life after school Christians see knowing Jesus as the most important thing we can know to prepare for eternal life. For Christians the knowledge and wisdom of knowing Jesus is the greatest pleasure in this life!	Discussion points What are wisdom and knowledge? Why is it difficult to have them? Why are they important? Where do they come from?

<p>“If you listen to me you will know right, just and fair. You will know what to do. You will become wise and your knowledge will give you pleasure” Proverbs 10:9-10</p>
