

West Nottinghamshire College Outreach

Online Parent Activity Menu

Our Mission Statement

During this time of home learning, the DANCOP Outreach team at West Nottinghamshire College are committed to continuing to provide parents, with the tools and information to best equip them to support their young person with their journey on to Higher Education.

Here you will be able to access online versions of all parent sessions we regularly deliver in schools. Pick and choose ones that are relevant to you and your family or might find useful.

Each session will have a GDPR approved Microsoft Form embedded for you to fill out. This is just to let us know that you have completed the session so we can best monitor our engagements.

We hope you find these resources useful and enjoyable. If you have any further questions, please do not hesitate to get in touch via the details below and we will do our best to answer any queries you may have.
