

## Worship with Us

Learning and Loving  
Together Forever

<p><b>Week</b> 22.2.21-19.3.21</p>	<p><b>Core Value Focus</b> Nurture</p>
<p><b>Scripture Link</b>  <b>Peter said to Jesus “Lord you know all things. You know that I love you”, Jesus said “Tend my sheep”</b>  <b>John 21:17</b></p>	<p><b>Message from the Principal</b>          We talk often in the academy about belonging to the Queen Elizabeth’s Family. We work hard to protect and develop that family ethos, keeping our children at the heart of all that we do. Just like we do in our own families.          We nurture our staff and students so that they can flourish into the very best versions of themselves, reaching their enormous potential and achieving whatever they set out to achieve.          We are very proud of our QE family, and nurturing family that is one of the most important things that we do every day.</p>
<p><b>Message from the Chaplain</b>          As we explore our value of Nurture we reflect on the huge heart of the Good Samaritan in our School Vision. This man nurtured someone on the road back to health in his hour of greatest need. In a different context a modern day Christian, Jurgen Klopp has a passion for nurturing young talent in his team. This process of nurture means looking at the current reality but working towards future goals and aspirations. This is what we do at QEA. In the Bible Jesus is an incredible nurturer of people. Jesus’ Peter denied he even knew Jesus and did it three times and when Jesus was arrested. Rather than cutting ties with Peter Jesus meets him by the shore, cooks him breakfast and asks him three times if Peter loves him. Given this opportunity Peter is restored and Jesus nurtures him to be a great leader in the church. Christians believe that Jesus is alive today and wants to walk with us through this life and nurture our faith and relationship with him.</p>	<p><b>Discussion points</b></p> <p>How is nurture shown by the Good Samaritan?</p> <p>How can we nurture one another in our home/school/church communities?</p> <p>What qualities does Jurgen Klopp need to nurture his team?</p> <p>How would it feel to be Peter having denied Jesus to have him give an opportunity to rebuild the relationship?</p> <p>Would your faith benefit from being nurtured?</p>

**A Prayer for Nurture**

Lord thank you for the care we receive

For the chances to grow and learn and be taught

Help us to see opportunities to care for others

Thank you for our rest, our food and for our friends

Thank you Jesus that You cared for your disciples

Thank you that you care for us

Amen
