

Weeks- 29.9.25-7.11.25	Core Value Focus- Knowledge and wisdom
<p>Scripture Link</p> <p>“If you listen to me you will know right, just and fair. You will know what to do. You will become wise and your knowledge will give you pleasure”</p> <p>Proverbs 10:9-10</p>	<p>Message from the Principal</p> <p>This value holds a special place in all our hearts. As you know, Queen Elizabeth’s delivers a knowledge rich curriculum, and all our staff pride themselves on delivering knowledge in their subject areas to a high standard.</p> <p>Being wise is the next step- how can we use our wealth of knowledge in the best possible way? We encourage all our staff and students to believe that they can be whatever they want to be in life (that’s our QEA Why), using their depth of knowledge in a wise way to reach their potential. We invite you to ask your child about their learning in this worship cycle.</p>
<p>Message from the Chaplain</p> <p>We are learning from the moment we are born to the time when we leave this earth. What we learn and how we learn it changes with each new phase of our life. Christians too are constantly learning in their journey of faith through God’s word, experiences and testimony. As they learn more in their faith, their lives are transformed. Knowledge is a gift, knowing what to do with that knowledge is wisdom. We can learn so much from so many different platforms now thanks to the internet and social media it is truly incredible but how to sift through it and learn what is knowledge that is worth paying attention to and more importantly what to do with it and how to use it for the benefit of others as well as ourselves is wisdom but it is also a challenge.</p>	<p>Discussion points</p> <ul style="list-style-type: none"> ✓ What is something you would like to learn or learn more about? ✓ What things can be barriers to learning? ✓ How can we help ourselves and others to learn in the best way possible? ✓ Is all knowledge good and helpful? ✓ How can we learn to sift through what is helpful in our thinking and what is harmful? ✓ How do we know when something is worth passing on?

Father God, help us to thrive in our learning our love and our friendships knowing right and wrong

Help us to see the opportunities to be inspired and to inspire others to choose the good

Thank you for the example and inspiration of Jesus your Son

All: God of wisdom and knowledge make us wise (Colossians 2:3)

Amen
